The Department of Art, Art History, and Design's Saturday Morning Art (SmART) program is part of the Department’s Art Education degree program, which affords pre-service art education majors the opportunity to interact and work with school-age children, ages 7 through 18. The creative program serves to broaden and enrich the art and educational experiences of all involved and is designed to expand SmART participants’ artistic and problem solving skills, as well as their aesthetic and cultural awareness and sensitivity. The program provides 6 class sessions of instruction and an exhibition day for everyone to celebrate the artistic creations of the students.
